

COSTUME GUIDELINES

It is our wish that you have a great time at NerdvanaCon, but we are different from other conventions because we are affiliated with Northside ISD, and our event is being held on an NISD campus. Therefore, you may find restrictions on costumes a bit more restrictive than at other public events.

- Costumes must be G-rated.
- Skirts must be no more than four inches above the top of the kneecap.
- Footwear must be worn. If your cosplay shoes hurt, bring a pair of comfortable shoes to change into.
- Halter tops, spaghetti straps, exposed backs or midriffs, and see-through garments will not be permitted.
- **Absolutely no weapons** will be permitted, regardless of material, color, etc.
- Masks may not cover your face.

See complete description of NISD costume policy and guidelines here:
